Battle Cries

Author's Notes:
ENJOY FUCKERS!

I slashed throught the crowd of Souls, their screams echoing through the skies. Looking Across, I saw the newbies of the team. They were stabbing violently through the crowd like amateurs. Cute. The taller one had a leather jacket on and some war paint. He's had a determined look on his face. Suddenly, he was taken by suprise. A grenade had landed in front of him. He stepped back. I ran towards the grenade and threw my body on top of it. Suddenly, I felt the impact of the grenade ripple down my body. I looked up and the newbie looked concerned. Then everything went black.
